K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services, and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means of communication (e.g., Braille, large print, audiotape, and American Sign Language) may be requested by contacting the event contact at 620-356-1721. Requests received will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information, will be provided free of charge to limited English-proficient individuals upon request.
